... I have no reason to harm you...
So, please withdraw while
you still can...

Cut the crap! Our teammate died because of the trap yau set up!
What...?
Yau cut the elevatar wires and tried to kill us! Yau think we dan't knaw?
...? I didn't do that...

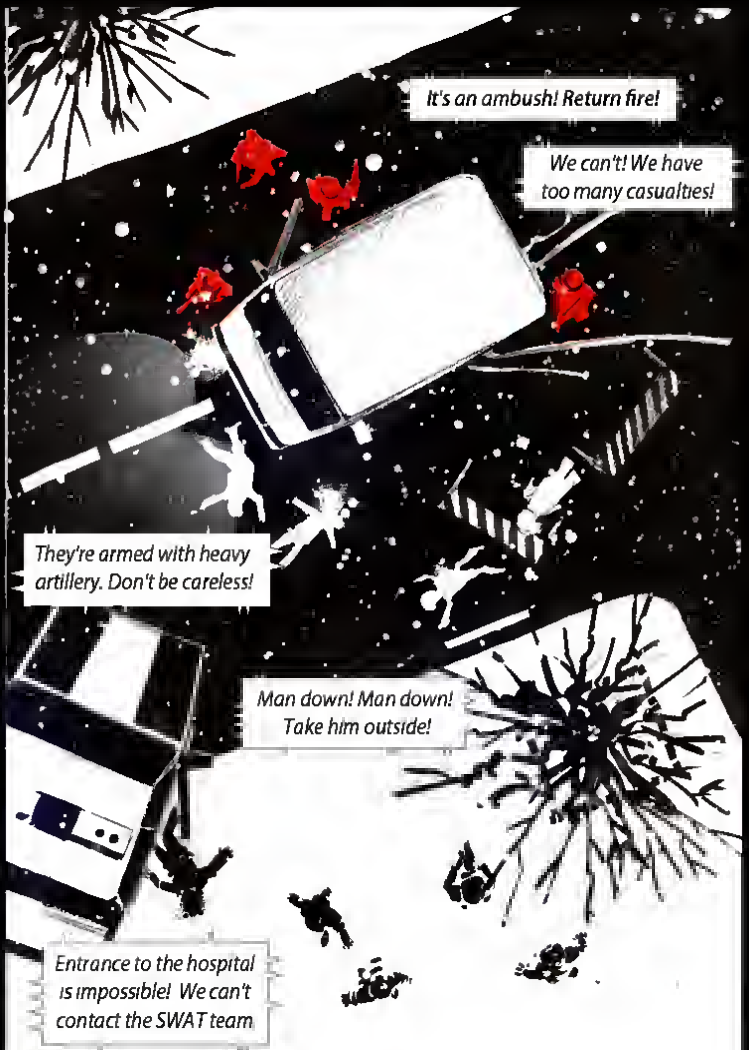
BANG
CLICK

SWAT
POLICE

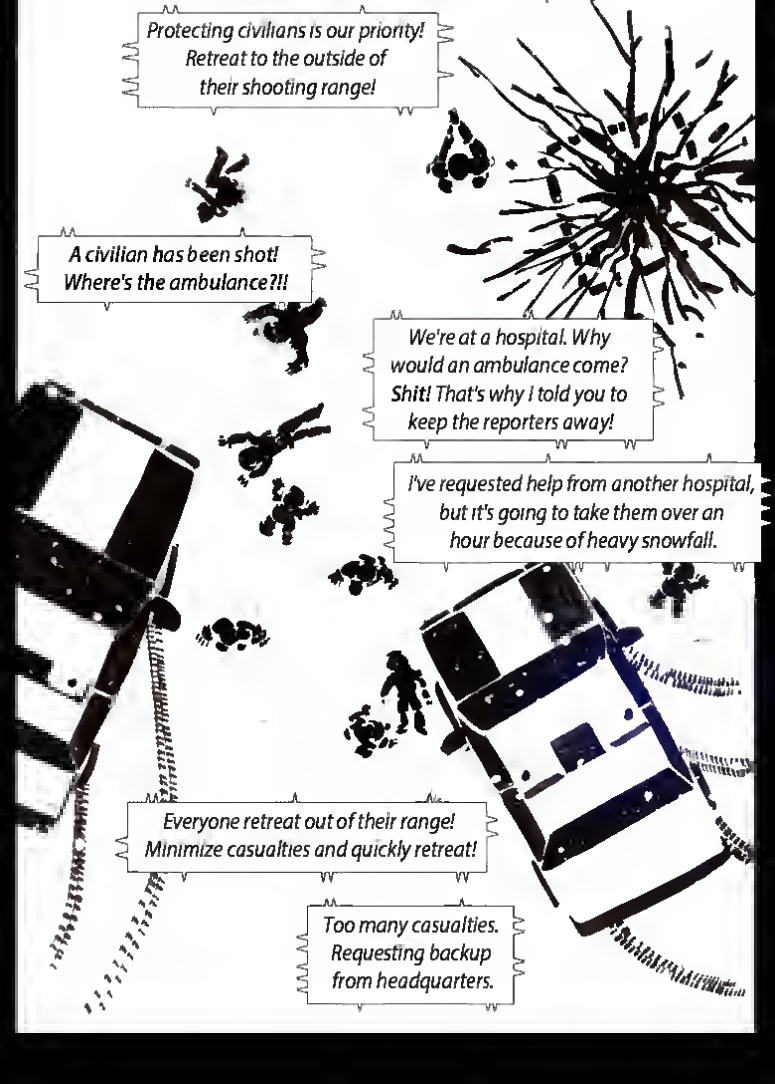
DADADADADADA!
Requesting back up! Back up...
AHHHHHH!!!
Squad A! Squad A! What happened? Answer me!

Stop! Stop!

Shit! Who the hell are these guys?



It's an ambush! Return fire!
We can't! We have too many casualties!
They're armed with heavy artillery. Don't be careless!
Man down! Man down! Take him outside!
Entrance to the hospital is impossible! We can't contact the SWAT team



Protecting civilians is our priority! Retreat to the outside of their shooting range!
A civilian has been shot! Where's the ambulance?!!
We're at a hospital. Why would an ambulance come? Shit! That's why I told you to keep the reporters away!
I've requested help from another hospital, but it's going to take them over an hour because of heavy snowfall.
Everyone retreat out of their range! Minimize casualties and quickly retreat!
Too many casualties. Requesting backup from headquarters.

How dare you...

How dare you hurt my daughter!

To be continued...
